

# Commercial real estate technology that's uniting the industry

Our platform is used by commercial real estate professionals across North America to share information, research properties, market listings, prospect and do business.

## The Only National Platform with a Local Focus

Catylist-powered technology is trusted by over 70 REALTOR associations, hundreds of economic development communities and thousands of CRE brokerages and commercial professionals across North America.

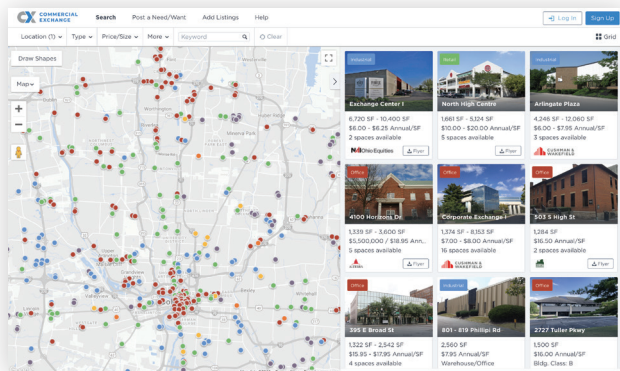

### Our Technology:

 For Sale & Lease Listings

 Built-in Marketing Tools

 Lead Tracking

## A Network of Local Platforms Elevated to National Exposure

CommercialExchange.com is our national marketplace, bringing together listings from the Catylist Member Network and attracting investors, developer and tenants nationally.

## Who We Serve

### Agents & Companies

Tens of thousands of brokerages and CRE professionals use our platform every day to do business.

### Associations

Our platform is trusted by over 70 local and regional associations of REALTORS®.

### EDC's

We power site selection for hundreds of economic development communities across the country.
